### 4. Complete.

Some people prefer to live in a/an (1) \_\_\_\_\_ and be surrounded by neighbours, other people think it's much better to live in a/an (2) \_\_\_\_\_, because you don't hear neighbours that much. I think it's much better to live in a /an (3) \_\_\_\_\_, as you can design it the way you want and you have more space. In my opinion, many apartments are noisy and you might have some noisy (4) \_\_\_\_\_ upstairs who keep you awake all night with their TV. If you can't afford a house, a/an (5) \_\_\_\_\_ house might be an option. You only have two neighbours (one on each side), but no other people upstairs or downstairs.

However, if you like travelling, the best option for you would be to live in a/an (6) \_\_\_\_\_. You could live anywhere in the world and eat breakfast in a different place every day. On the other hand, people in the USA, who cannot afford buying a house live in \_\_\_\_\_ and it's not the best option. But it's much better than living in a shelter or being homeless.
